MERN Stack Developer with hands-on experience building full-stack web applications using MongoDB, Express.js, React.js, and Node.js. Strong foundation in Data Structures and Algorithms using Java. Seeking opportunities to apply problem-solving and development skills in real-world software projects.

EDUCATION

Atharva College of Engineering, Mumbai	Aug 2023 - Jul 2027
B.E in Electronics & Computer Engineering	7.51 GPA
Indira Gandhi Madhyamik Vidyalaya & Junior College, Maharashtra	Jun 2021 - Mar 2022
HSC - Maharashtra State Board	83.33%
Shree Sharda Madhyamik Vidyalaya, Maharashtra	Jun 2019 - Mar 2020
SSC - Maharashtra State Board	81.20%

SKILLS

Programming Languages: Java, JavaScript, SQL, C, Basic Python

Frontend: HTML, CSS, React.js, Bootstrap

Backend: Node.js, Express.js

Databases: MySQL, MongoDB

Tools: Git, GitHub, VS Code, MySQL Workbench

Core Concepts: DSA, Object-Oriented Programming, REST APIs

Core Subjects: DBMS, Operating Systems, Computer Networks, Computer Fundamentals

INTERNSHIP

Edunet Foundation (AICTE) | Frontend Developer Intern Aug 2025 - Oct 2025
Developed a Smart Study Planner using HTML, CSS, and JavaScript with interactive scheduling and timetable generation features. Successfully completed a mentor-guided internship and presented the final solution.

PROJECT

Wanderlust – Full Stack Hotel Listing Platform (MERN)

- Developed a full-stack hotels listing web application using MVC architecture.
- Implemented secure authorization, authentication and CRUD operations.
- Integrated MongoDB with structured schemas and relationship.
- Integrated location-based map for listing visualization.

JobPilot – Centralized Job Aggregation Platform (MERN)

- Developed a centralized job search platform that aggregates job listings from multiple sources using the JSearch API.
- Built a responsive React-based interface with search and filtering features for efficient job discovery.
- Integrated RESTful APIs and MongoDB for managing and displaying job data.
- Simplified job exploration by providing a single platform to access opportunities from multiple job websites.

CERTIFICATIONS

- MERN Stack Web Development – Apna College
- Data Structure & Algorithm in Java – Apna College
- Google AI Essentials – Coursera
- Google Gemini Certificate – Google
